

Dear Potential Sponsor:

The mission of the Marion Christian Softball Association has been to bring persons into a relationship with Christ for over 30 years now. This will continue to be our mission.

As a league, several of our men's softball teams have won state and national tournament titles over the past several years. Our membership is also growing as we've gone from a men's league to also hosting a co-ed night of league play exposing a sponsor to 30 teams of men and women across 4 nights of play.

We would like to offer a shared sponsorship opportunity that will help us offset some of the costs relative to our non-profit organization. This will be an effective, tax deductible method of advertising your business to those within the Christian community.

We are offering various opportunities shown below and would appreciate your generosity with any assistance. In turn, we will have a banner made displaying your company name and logo at our various venues and would strongly encourage our participants and family members to utilize your products or services as a token of our gratitude.

Thank you and God Bless.

**Mortar** - Placement of a 230 x 100 pixel image on the MCSA web site
